The locker rooms are *strictly* for changing, not for storage. SJVCGPR is not responsible for any lost, stolen, or damaged items.

Color Guard Information:

Color Guard solos are open to all Junior High and High School students. Categories include Flag, Weapon, or Mixed. A mixed solo consists of both flag and a weapon. Minimum performance time is 1:15, and maximum performance time is 2:30. Please time your solo to make sure you are not over or under the timing limits. Each solo is \$12 a student (if you are doing a duet, it is \$12 for the time slot, so \$6 each). Registration was done online, but payment will be made in person the day of the solo competition. Please pay in either cash, or by checks made out to "Bronco Foundation". The solo competition will be in the West Gym of the Clovis North campus.

MUSIC: You will provide your music via a phone/iPod/iPad. Please have the music downloaded to your phone so you can put your device on airplane mode/do not disturb so that no phone calls, texts, or notifications interrupt your performance. If your song is from youtube/spotify, please download it prior to your performance. An SJVCGPR staff member will press play for you, so if you start in the middle of a song, please have the correct time stamp up and ready to go.

Warm Up – Please Read!

You may warm up anywhere on campus, however we ask that you do NOT warm up near the performance or competition venues, as this can cause “noise bleeding”. We want everyone to have the best experience possible, and a big part of that is not having “noise bleed” occur. If you are asked to relocate during your warm-up, please respect the request made by anyone. There will be a LOT of warming up going on Saturday, especially during the percussion portion of the competition.

- **No percussion units are permitted to rehearse on or near the tennis courts, for noise bleeding reasons.** Any percussion unit warming up on or near the tennis courts will be asked to move, and possibly assessed a penalty at the discretion of the circuit administration.
- We suggest that color guard performers warm up on the tennis courts.
- Directors, please make sure that your staff and students know to not touch, lean on, or sit on the tennis nets. *We were removed from the tennis courts in the past, and want to keep that from happening again.*

PERCUSSIONISTS! *Please plan your warm-up with your directors, as this may require access to your band's semi/trailer/truck. Please make sure you arrive to the Clovis North Campus in time to warm-up for your solo. Private Transportation arrangements may need to be made, please discuss your performance time with your band director and instructional staff!*

Performance Venue Entry/Exit

Colorguard: There will be SJVCGPR staff manning the doors to the competition. Please respect any closed doors and wait for volunteers to open doors between performances, as to not distract the current soloist's performance.

Percussion: SJVCGPR will be running the doors to each performance venue. Please respect our “closed door” policy, meaning, if the door is closed it means there is a performance is going on. Doors will remain closed during performances, and be opened between performances for spectator and performer entry.

- In the event that the solo venue is running behind, an SJVCGPR staff member may ask that you stage your group indoor while the current group is performing, in order to get the performances back on schedule. We will be running a very tight schedule, strategically planned around group's warm-ups and performances. Please comply with any directions SJVCGPR may give you, as they have been instructed to do so by the circuit administration. Remember, they are only there to help!

It is INCREDIBLY important that you show up at least FIVE minutes prior to your performance time. We are running a tight solo schedule, and cannot afford to fall behind. Directors, please emphasize this to your performing students, as late performances effect EVERYONE.

ALL SOLOISTS: Anyone late to their performance time may be subject to loss of their performance slot. Should this occur, no refund will be given. PLEASE be on time to your solo performance!

Ticket Pricing:

Free! There is NO admission price to Solo Performances. Please encourage all your friends and family to come support your performance! *Tickets will be required to enter the championship competition gym.*

Announcement of Solo Competition top 3 placements in each category will be done during the Full-Retreat awards! *At the conclusion of the awards ceremony, please see the announcer's table for your score/comment sheets, and prizes!*
